

HYT AND ALINGHI

HYT recently announced a new partnership with Alinghi, one of Switzerland's greatest sailing teams, famous for winning two America's Cups as well as the Extreme Sailing Series and Decision 35 last year. With HYT as its Official Timekeeper, Alinghi's racing season began this April at the Bullitt GC 32 Racing Tour in Marseille, which will see the team compete until October in several countries, such as Austria, UK, Germany and Italy before ending back in Marseille.

"This partnership is, above all, a fantastic meeting of two high-tech worlds and two leading teams," commented Patrick Berdoz, Chairman of HYT. "Alinghi defies the elements to fly across the water, while HYT defies traditional watchmaking to master the measurement of time using fluids." ★
